

ローイングエルゴメーター『モデルD』

THE CONCEPT2 INDOOR ROWER

The Indoor Rower started with Pete's childhood bicycle turned upside down and nailed to the floor of the Concept2 barn. That was back in 1981. We are now selling the third generation of the Rower, the Model C; smoother and quieter than ever.

with PM2 PN1700 \$765 plus shipping  
with PM2+ PN1709 \$830 plus shipping.

¥174,300-(内消費税¥8,300-)送料別途約¥3,000-
